

# Program: Military Science

## PROGRAM: MILITARY SCIENCE & ARMY ROTC PROGRAM

**MINORS OFFERED:** Military Science (Minor)

Truman's Military Science Department equips you with more than just military knowledge; it builds your leadership, resilience, and teamwork. Whether you're preparing for military service or simply want to grow your personal and professional skills, the program adds real value to your academic journey.

### KEY DIFFERENTIATORS:

- LEADERSHIP DEVELOPMENT
- HANDS-ON TRAINING
- SCHOLARSHIP OPPORTUNITIES
- SUMMER TRAINING PROGRAMS
- SIMULTANEOUS MEMBERSHIP PROGRAM (SMP)

If you're looking to lead, challenge yourself, and gain hands-on experience, ROTC offers a structured but flexible way to grow. You'll develop real leadership skills while working toward your degree.

### WHY ROTC?

*You don't have to major in military science to join ROTC at Truman. You can pursue any degree while building leadership, discipline, and confidence. After graduation, you'll have options; serve active duty, join the Guard or Reserves, or take your skills into a civilian career.*

*ROTC at Truman isn't just for future soldiers; it's for future leaders. You'll gain discipline, decision-making skills, and purpose-driven experience that translate to success in any career field.*

### AFTER GRADUATION:

*Many graduates commission as officers in the U.S. Army, Army Reserve, or National Guard. Others use their leadership experience to thrive in business, government, and nonprofit careers.*

**MORE INFO:**

**DISTINCT BY DESIGN**

## Join a community of students who are passionate about their pursuits.

Learn an experience life alongside peers who will help you grow academically, culturally, and professionally.

FOR MORE INFORMATION, visit [truman.edu](http://truman.edu) or call the Office of Admission at 660.785.4114.

### Combine our liberal arts focus with a strong foundation

in your major and strengthen your skills through research experiences, service-learning opportunities, and study abroad programs.

### Build your community

by joining one of our many student organizations. Find your home on campus and become involved with a group that supports your interests.

### Develop your professional network and skills

by working with our Career Center to prepare for internships, your future career, and even graduate studies.
