**ITEM H.2
Equipment Purchase****DESCRIPTION AND BACKGROUND**

Truman's backhoe loader was purchased in 1998. As a result of the unit's age, maintenance costs have become significant, and repair times are impacting campus projects. To continue to provide safe and reliable equipment to the University's Physical Plant employees, a request for proposal (RFP) was published for a replacement backhoe loader. Fifteen different regional dealerships were invited to respond. The RFP was also placed on the University's website and displayed on the statewide procurement bulletin, MissouriBuys. The University received four separate proposals. A selection committee comprised of the Physical Plant Director, the Assistant Physical Plant Director, and the University's two primary equipment operators evaluated the proposals based on required specifications, reliability, warranty, and cost. The selection committee unanimously recommended the John Deere 320P-tier backhoe loader submitted by Martin Equipment of Palmyra, Missouri. The cost, including trade-in, is \$105,000.

The Uninterruptable Power Supply (UPS) units located in the data center provide conditioned power to all equipment in the data center so that the power stays at an even and reliable level, as well as provide emergency battery backup power for just under two hours in the event of a power outage. These units were installed in 2009 and are now approximately 16 years old. Due to the discontinuation of some parts for this equipment, it cannot be expanded to accommodate a longer hold time. The proposed units include newer battery technology and the capability to expand the system to support a longer hold time in the event of an outage. The proposed equipment is available on a state-wide contract. The funding for this item is available in the Information Technology Services capital expenditures and operations budgets.

The Ellucian Banner System is the University's core enterprise resource management system, and as such, supports the finance, budget, financial aid, student accounts, human resource, registration, advising, degree audit, and academic records systems used by the University. The current Banner server will be seven years old in November and needs to be upgraded to continue to receive vendor support and maintenance, as well as provide a reliable infrastructure for these systems. The proposed equipment is available on a state-wide contract. The funding for this item is available in the Information Technology Services capital expenditures and operations budgets.

RECOMMENDED ACTION

BE IT RESOLVED that the purchase of the following items of equipment be approved:

<u>Item Name</u>	<u>Project Budget</u>
John Deere 320P-tier Backhoe Loader	\$105,000
Uninterruptable Power Supply (UPS) Upgrade	\$121,000

ITEM H.3

2025 Summer Roof Replacement and Masonry Repairs Project

DESCRIPTION AND BACKGROUND

Several major buildings, including Magruder Hall, McClain Hall, Missouri Hall, and Pickler Memorial Library need sections of roofs replaced. The roofs are 20 years old and have deteriorated. Each of these buildings has sections of roofing which vary in age due to renovations and additions. This project would address these issues as well as masonry repairs, and work would occur starting in May 2025.

Bid specifications were developed by Building Resource Studio, LLP, of St. Louis, and the project was advertised in several general circulation newspapers and communicated via email to reach interested contractors.

Four contractors attended a pre-bid conference on March 11. Bids for the project opened on March 18. Three general contractors submitted proposals, and the low bids were from Watkins Roofing, of Columbia, Missouri, for work at Magruder Hall and McClain Hall and from Weathercraft Inc., of Jefferson City, Missouri, for work at Missouri Hall, Pickler Memorial Library, and masonry repairs. The total project budget includes architectural design fees, advertising, general contractor costs, and contingency.

RECOMMENDED ACTION

BE IT RESOLVED that the description and budgeted amount for the following construction project be approved:

<u>Project Name</u>	<u>Project Budget</u>
2025 Summer Roof Replacement and Masonry Repair Project	\$860,000

BE IT FURTHER RESOLVED that the President of the University, or her designee, be authorized to accept the lowest and best bid for the project; and

BE IT FURTHER RESOLVED that a copy of the project description, as reviewed at the meeting, be attached to the minutes as an exhibit.

ITEM H.4
Faculty Senate Bylaws

DESCRIPTION AND BACKGROUND

The bylaws of the Faculty Senate need to be revised to accommodate the recent reorganization in Academic Affairs. The attached version includes the revisions approved at the November 21, 2024, Faculty Senate meeting and approved in an online election of eligible voters held February 10-24, 2025. The bylaws passed with a vote of 120 for, 32 against, and 5 abstentions. There was no formal quorum expectation; however, more than half of the 250 eligible voters participated, which included teaching faculty plus faculty-status librarians. Section 6.020. of the Code of Policies calls for the approval of such amendments by the Board of Governors.

RECOMMENDED RESOLUTION

BE IT RESOLVED that the amendments to the Bylaws of the Faculty Senate, as set out in the attached document, approved by the Faculty Senate on November 21, 2024, and as approved in an online election of eligible voters held February 10-24, 2025; be now approved and accepted, effective immediately, and that they be incorporated into the Bylaws of the Faculty Senate of Truman State University; and

BE IT FURTHER RESOLVED that a copy of the document be attached to and made a part of the minutes for this meeting.

Truman State University – Faculty Senate
A Resolution to Amend the Faculty Senate Bylaws
November 21, 2024

WHEREAS,

- VII.G of the Faculty Senate Bylaws requires a Faculty Senate review of the structure of faculty governance every five years; and
- The recent reorganization of Academic Affairs provides an ideal opportunity to review the structure of Faculty Senate membership; and
- The revision below to the membership provisions of the Faculty Senate Bylaws has the following virtues:
 - The revision helps ensure adequate representation, in voice and vote, for each discipline. These disciplines exemplify relatively stable distinctions among fields and courses, both across academia and at Truman. Representation of the disciplines is important at a liberal arts institution because each unit brings a unique disciplinary perspective to faculty governance, which is especially beneficial in discussions of cross-campus curricular matters.
 - Through its provision to allow disciplines to share a representative between/among them (but still retain their respective votes), the revision helps secure a reduction in faculty service load without compromising the voting power of any discipline.
 - Given that it is probable that many disciplines will opt to share representatives, the proposal is likely in practice to reduce the size of Faculty Senate.
 - Organizing Senate membership according to the academic units enumerated below ensures that each faculty member has one and only one representative. The result is that the lines of communication and accountability between representatives and their represented faculty are clear.
- Various other small-scale and largely editorial edits ensure consistency within the Bylaws and with the Constitution and current practice;

THEREFORE, BE IT RESOLVED that the Faculty Senate Bylaws be amended in the ways suggested by the following edits to the current Bylaws.

ITEM H.5

Amendments to Chapter 6 of the Code of Policies of the Board of Governors Pertaining to Academic Affairs - Faculty

DESCRIPTION AND BACKGROUND

At its February 27 meeting, Faculty Senate approved a resolution to recommend that the Board of Governors update Chapter 6 of the Code of Policies regarding the composition and procedures of the Faculty Conduct Committee as it relates to the recent Academic Reorganization. Previously, the Faculty Conduct Committee had one member from each school, for a total of five members (along with five alternates). Following the reorganization's reduction in the number of schools from five to three, the suggested changes ensure an adequate number of members on the committee. From the suggested larger committee of 12 members (four from each school), a member (and alternate) from each school will be drawn (three members and three alternates in total) to oversee any particular conduct hearing.

RECOMMENDED ACTION

BE IT RESOLVED that Section 6.040.5.1. through 6.040.6.1. and Sections 6.040.7.1. through Section 6.040.7.14. of the Code of Policies of the Board of Governors of Truman State University within Chapter 6 entitled Academic Affairs – Faculty is hereby amended as follows. Changes are shown in the text below by deleting language in ~~red, bold, and struck through~~ and adding new language shown in *red, bold, and italics*. In all other respects, Chapter 6 remains unchanged and in effect.

- 6.040.5.1. Faculty Conduct Committee. The University Faculty Conduct Committee (“Committee”) shall be composed of tenured faculty members. It shall consist of ~~one member and one alternate~~ *four members from each School, with each member coming* from ~~a different department, departments in each School~~ elected by secret vote of the members of the tenured faculty. Department Chairs and University administrators may not serve on this committee. Committee members shall serve for a three-year term and shall not serve more than two consecutive terms. At the first meeting of the committee, it shall elect from among its members a chair and secretary. In the event that a procedure for conduct review is in process, in so far as possible, the ~~committee~~ *Review Panel* constituted during the beginning of the process should complete that case before the committee is dissolved. This will not prevent a committee for the ensuing year being selected and empaneled. The duties of the committee shall include such duties as indicated in Subsections 6.040.5.2, 6.040.6, and 6.040.7 and any other responsibilities as are assigned to it by the President of the University or the Chair of the Board of Governors.
- 6.040.5.2. Committee Rights and Duties. The Committee, *acting through Review Panels as provided herein*, is charged with reviewing whether the proposed serious discipline is warranted and making recommendations for discipline of a faculty member. The Committee's *Review Panels* shall have the following rights and duties:
1. To determine the relevance and admissibility of any evidence offered at the meeting or hearing;
 2. To permit a stipulation of agreed facts by the University and the faculty member;

3. To permit the incorporation into the record by reference of any document, affidavit, or other exhibit produced and desired to be incorporated in the record by the University and the faculty member;
4. To question witnesses or evidence introduced by either the University or the faculty member at any time;
5. To call additional witnesses;
6. To dismiss any action or permit informal disposition at any stage of the proceeding if agreed to by the University and the faculty member;
7. To permit, at any time, amendment of the Charge or answer so as to include matters that come to the attention of the **Committee Review Panel** before final determination of the case, provided, however, that in such event, the **Committee Review Panel** shall grant to the University or the faculty member such time as the **Committee Review Panel** may determine reasonable under the circumstances to answer or explain such additional matters;
8. To dismiss any person from the hearing who interferes with or obstructs the advancement of the hearing or fails to abide by the rulings of the **Chair Presider** of the **Committee Review Panel**;
9. To have present a legal adviser to the committee, who shall be designated by the General Counsel of the University, following consultation with the **Chair of the** Committee.

6.040.5.3. Parties' Rights Upon a Disciplinary Meeting or Hearing. The University and the faculty member shall have the following rights:

1. To be present at the meeting or hearing, which right may be waived by failure to appear;
2. To have present any legal or other adviser or counselor and to consult with such adviser or counselor during the hearing;
3. To review a statement in writing of the charges against them;
4. To present evidence by witnesses and by properly identified written statements or reports in support of the Charge or answer;
5. To hear or examine evidence presented by the other party or the **Committee Review Panel**;
6. To question witnesses present and testifying for the other party or the **Committee Review Panel**;
7. To make any statement to the **committee Review Panel** in support of the Charge or answer or in mitigation or explanation of the conduct in question;
8. To be informed in writing of the findings of the **Committee Review Panel** and its recommendation on the Charge.

The faculty member, in all cases where hearings are involved, shall have the right to request a full audio recording or written transcript of procedures (the cost of which records shall be shared equally by the faculty member and the University). The audio recording or written transcript record of the case, the charges, exhibits, hearing records, appeals, and the findings and recommendation of the **Committee Review Panel**, Executive Vice President of Academic Affairs and Provost, and President shall become the record of the case, shall be filed in the Office of the President of the University, shall be available only for official purposes, and, for the purpose of appeal, shall be accessible at reasonable times and places to the University, the Board of Governors of the University, and the faculty member.

6.040.6. Implementation of Serious Discipline Short of Permanent Removal and Loss of Tenure.

Where a Dean seeks to impose serious disciplinary action short of permanent removal and loss of tenure, the Dean shall first meet with the faculty member and **Department** Chair to discuss the Dean's concern and the potential for discipline. If that meeting does not resolve the issue, the Dean shall provide the faculty member with written notice of the proposed disciplinary action in sufficient detail for the faculty member to address the specifics of the charges. The faculty member shall have seven (7) calendar days after receiving the notice of

proposed disciplinary action to request a meeting with *a Review Panel* of the Committee. A request to meet with ~~the Committee~~ *a Review Panel* should be made in writing to the Dean, who will forward it promptly to the Executive Vice President for Academic Affairs and Provost. If the faculty member does not request a meeting with ~~the Committee~~ *a Review Panel* within the seven calendar days, the discipline will take effect.

- 6.040.6.1. Review by the Committee. The Executive Vice President for Academic Affairs and Provost shall convene *a Review Panel* of the Committee ~~review-panel~~ within five (5) calendar days *by contacting the Chair of the Committee or, in the Chair's absence, the Secretary, who shall appoint to the Review Panel one member and one alternate from each school, where the selection is at random from among the Committee members from each School. The selection process will be witnessed by the Faculty Senate President or designee. In the event a Committee member thus selected is unable to serve or is conscious of potential bias or conflict of interest with respect to the case, the member shall decline the appointment and another member from the same School shall be selected at random.* The ~~Committee~~ *Review Panel* shall meet with the faculty member and the Dean within 15 calendar days from the date of the faculty member's request for a meeting. The Dean shall provide the ~~Committee~~ *Review Panel* with the factual basis for the proposed discipline, including any laws, policies, or regulations alleged to have been violated, as well as full explanation of why lesser or more severe discipline is not recommended. The faculty member will be provided an opportunity to respond to the allegations and to demonstrate that a lesser discipline, or no discipline, is warranted. Documentation in support of or opposition to the proposed discipline must be submitted prior to the meeting with the ~~Committee~~ *Review Panel*. During the meeting with the Dean and faculty member, ~~the~~ University's *General* Counsel and the faculty member's legal counsel may be present.

The ~~Committee~~ *Review Panel* will provide its recommendation to the Executive Vice President for Academic Affairs and Provost, Dean, and the faculty member within 14 calendar days of the meeting. The ~~Committee's~~ *Review Panel's* recommendation must be in writing and must set forth the facts on which it based its recommendation, any laws, policies, or regulations found to have been violated, along with the recommended discipline. The ~~Committee~~ *Review Panel* may recommend that the Dean's proposed discipline should be imposed, lesser discipline should be substituted, or no discipline should be imposed. The recommendation of the ~~Committee~~ *Review Panel* is not binding on the Dean but shall be given all due consideration. The Dean retains the authority to decide what discipline to impose. Within seven (7) calendar days of the ~~committee's~~ *Review Panel's* recommendation, the Dean will provide a written decision of the discipline to the faculty member and the Executive Vice President for Academic Affairs and Provost.

* * *

- 6.040.7.1. Review by the Committee. In the event that the faculty member desires to contest the charges presented, the faculty member shall give written notice of this request to the person notifying the faculty member of the charge against them within ten (10) calendar days from the receipt of the charge. Failure by the faculty member to make a timely written request for the hearing shall constitute a waiver of the faculty member's right to a hearing before *a Review Panel* of the Committee.
- 6.040.7.2. Convening *a Review Panel* of the Committee. The Executive Vice President for Academic Affairs and Provost shall convene *a Review Panel* of the Committee ~~review-panel~~ within five (5) calendar days *in accord with the procedures set forth in Subsection 6.040.6.1.*

- 6.040.7.3. Materials Provided to the **Committee Review Panel**. The Dean shall provide the **Committee Review Panel** with the factual basis for the charges and proposed discipline, including any laws, policies, or regulations alleged to have been violated, as well as full explanation of why lesser discipline is not recommended. If a faculty member has been found to have violated the University's Non-Discrimination Policy, a copy of the Investigation Report, the Decision on Appeal, and all other documents considered by the Administrative Review Panel, Dean, and/or Appellate Officer shall also be provided to the **Committee Review Panel**. The faculty member shall provide a written response to the allegations and demonstrate that a lesser discipline, or no discipline, is warranted. The answer shall specifically admit or deny the allegations set forth in the charge. A failure to answer or to deny an allegation of fact in the charge may be considered by the **Committee Review Panel** as an admission of such fact. Documentation in support of or opposition to the proposed discipline must be submitted to the **Committee Review Panel** no less than five (5) calendar days before the scheduled hearing of the **Committee Review Panel**.
- 6.040.7.4. Hearing of the **Committee Review Panel**. The **Committee Review Panel** shall hold the hearing not less than 20 and not more than 30 calendar days from the date of the faculty member's request. The **Committee Review Panel** or its designee shall notify the faculty member in writing of the date, time, and place of hearing before the **Committee Review Panel**. Any request for continuance shall be made by the faculty member or the University in writing to the Chair of the Committee, and the **Committee Review Panel** shall have discretionary authority to continue the hearing for a reasonable period of time and upon a determination that the request is timely and made for good cause. The hearing shall not be open to the public, pursuant to the Open Meetings Law of the State of Missouri, if the **Committee Review Panel**, in its discretion, deems the matter to be a personnel matter appropriate for a closed hearing.
- 6.040.7.5. Conduct of the Hearing. The Chair of the Committee shall preside at the hearing *if the Chair is a member of the Review Panel; otherwise the senior member of the Review Panel in terms of academic rank and length of service shall preside.* ~~and the Chair's~~ The **Chair's** duties shall include, but not necessarily be limited to, the following: Call the hearing to order, call the roll of the **Committee Review Panel** in attendance, ascertain the presence or absence of the faculty member and the University or its representative, read the notice of hearing, read the charge and answer, unless the reading of the same is waived, verify the notice of the charge to the faculty member, report any continuances requested or granted, establish the presence of any adviser or legal representative of either party, call to the attention of the faculty member and the faculty member's adviser any special or extraordinary procedures to be employed during the hearing and permit the faculty member to suggest or object to procedures. The **Committee Review Panel** is not required to follow formal rules of evidence. Procedural questions that arise during the hearing but are not covered by these general rules shall be determined by the **Committee Chair** ~~Presider~~. The **Chair's** ~~Presider's~~ ruling shall be final unless a member of the **Committee Review Panel** requests consideration by the entire **Committee panel**. If so, the ruling of the **Committee panel** by a majority vote shall be final.
- 6.040.7.6. Opening Statements. The University shall make opening remarks outlining the general nature of the case. The faculty member shall also make opening remarks to the **Committee Review Panel** about the Charge, either immediately following the University's opening statement or at the conclusion of the University's presentation of the evidence, at the faculty member's election. Opening statements shall not be considered as evidence.
- 6.040.7.7. University's Evidence. The University's witnesses shall be called and identified, and evidence, written statements, or reports introduced as appropriate. The faculty member may question

the University's witnesses. The **Committee Review Panel** may question witnesses or examine evidence at the conclusion of the University's presentation or at the conclusion of each witness's testimony, as it shall so choose.

- 6.040.7.8. Faculty Member's Evidence. The faculty member's witnesses shall be called and identified and evidence, written statements, or reports introduced as appropriate. The University may question the faculty member or their witnesses. The **Committee Review Panel** may question witnesses or examine evidence at the conclusion of the faculty member's presentation or at the conclusion of each witness's testimony, as it shall so choose.
- 6.040.7.9. Rebuttal. The **Committee Review Panel** shall permit the University or the faculty member to offer evidence in rebuttal of the other's presentation.
- 6.040.7.10. Recommendation by **Committee Review Panel**. Following the hearing, the **Committee Review Panel** shall discuss its findings in closed session out of the presence of the University and faculty member. The burden of demonstrating the existence of an adequate cause for dismissal shall rest with the University and shall be satisfied by a preponderance of the evidence in the record taken as a whole. To recommend dismissal, the **Committee Review Panel** shall determine that the charge or charges warrant dismissal. If the **Committee Review Panel** concludes that adequate cause for dismissal has not been established but that some discipline or penalty less than dismissal may be appropriate, it may recommend such alternative discipline. Majority vote should determine the **Committee's Review Panel's** recommendation based on the findings. The **Committee Review Panel** shall make its findings of fact and its recommendations in writing and transmit them to the faculty member, Dean, and Executive Vice President of Academic Affairs and Provost within fourteen (14) calendar days of the hearing. The faculty member may provide a written appeal of the recommendation of the **Committee Review Panel** to the Executive Vice President of Academic Affairs and Provost within seven (7) calendar days of notification of the recommendation.
- 6.040.7.11. Recommendation by the Executive Vice President for Academic Affairs and Provost. Following receipt of the findings of fact and recommendations from the **Committee Review Panel**, the Executive Vice President of Academic Affairs and Provost shall review the recommendations of the Dean, the **Committee Review Panel**, and any appeal made by the faculty member and make a recommendation to the President within seven (7) calendar days of receiving the faculty member's appeal or no more than seven (7) calendar days after the time for appeals has expired. The recommendation of the **Committee Review Panel** is not binding but shall be given all due consideration. The faculty member and Dean will be notified in writing of the Provost's recommendation. The faculty member may provide a written appeal of the Provost's recommendation to the President within seven (7) days of notification of the recommendation.
- 6.040.7.12. Recommendation by the President. Following receipt of the recommendation of the Executive Vice President of Academic Affairs and Provost, the University President shall review all recommendations and appeals and make a recommendation to the Board of Governors within seven (7) calendar days of receiving the faculty member's appeal or no more than seven (7) calendar days after the time for appeals has expired. The faculty member, Dean, and Executive Vice President of Academic Affairs and Provost will be notified in writing of the President's recommendation. The faculty member may appeal the President's recommendation in writing within seven (7) calendar days by requesting a hearing before the Board of Governors of the University.

6.040.7.13. Hearing of the Board of Governors. In the event of an appeal to the Board of Governors, the Board of Governors shall have access to the full record of the case and the appeal documents, and the Board of Governors shall provide for a hearing for the purpose of receiving additional evidence not contained in the record of the case, or the Board of Governors shall remand the matter for further evidence to the **Committee Review Panel**. The faculty member and the University may file a written argument confined to the issues and evidence previously submitted and contained in the record of the case for consideration by the Board of Governors. Any such written arguments shall be filed no fewer than five (5) calendar days before the date scheduled for the review hearing for consideration by the Board of Governors. The Board of Governors will attempt to schedule the hearing within 30 calendar days of the recommendation of the President; however, this deadline may be extended if necessary to ensure the attendance of a majority of members.

6.040.7.14. Decision by the Board of Governors. In the event that the faculty member does not appeal to the Board of Governors and upon receipt of a recommendation from the President of the University, the Board of Governors shall review the full record of the case and prior appeal documents, if applicable. The Board of Governors will affirm or reverse the case that adequate cause for termination has been established and can decide that some discipline or penalty less than dismissal may be appropriate. The Board of Governors shall notify the faculty member and the University in writing of its decision on the case within seven (7) calendar days of the hearing. The ruling of the Board of Governors in matters of removal shall constitute the final authority under the University's administrative structure.

Truman State University Faculty Senate Resolution

Truman State University – Faculty Senate

Resolution to recommend that the Board of Governors updates its Policies
regarding the composition and procedures of the Faculty Conduct Committee
February 27, 2025

Whereas:

- Faculty Senate has a clear advisory role to the Board of Governors with respect to issues affecting the faculty and the academic community and, through channels established by the Board, may make recommendations regarding such issues;
- Policy 6.040.5.1 of the Code of Policies of the Board of Governors, as currently in effect, provides that the Faculty Conduct Committee (Committee) “shall consist of one member and one alternate [collectively Members] from the different departments in each School”;
- Policy 6.040.5.1, as currently in effect, predates the Academic Reorganization, which, effective July 1, 2024, realigned the academic departments of the University into three Schools rather than five Schools;
- The current Members of the Committee were elected prior to the Academic Reorganization, and their number and distribution at the time of their election was based upon the then-existing five Schools of the University;
- Since their election, two Members have left the University, leaving the Committee with eight Members distributed unevenly across the three Schools of the University;
- The current composition of the Committee does not equally represent the three Schools as envisioned by Policy 6.040.5.1, nor does it provide an adequate number of Members to perform the work of the Committee without the possibility of undue burden being placed upon the individual Members;
- The current distinction in Policy 6.040.5.1 between “members” and “alternates” serves no useful purpose and should be abolished, such that each School shall elect four members to the Committee and review panels of the Committee shall consist of three members, one from each School, randomly selected from among the members from each School;

Be it resolved that:

- The Faculty Senate shall recommend to the Board of Governors, through appropriate channels, that the Policies listed below be revised to read as follows.

EXHIBIT F

Background Information and Rationale for FY2026 Enrollment Fee Proposal

Based on the increase in state funding recommended by the Governor for Fiscal Year 2026, the Council on Public Higher Education (COPHE) institutions have indicated that most plan to increase general tuition by three to five percent for 2025-26. This excludes mandatory fees and other costs. Several institutions blended online and traditional on-campus tuition rates for 2023-24, which resulted in higher overall rates at those campuses. The University of Missouri has shifted to differential tuition rates by academic program, as authorized by the legislature. This transition makes it more difficult to directly compare costs by institution.

Comparisons of total costs for 2025-26, including mandatory fees, are not available at this time. However, Table 1 outlines typical tuition and fees for a full-time undergraduate by campus for 2024-25. Truman had maintained its relative position on this list for several years but dropped lower after significant increases at Missouri State, Central, and Northwest last year after they introduced new blended traditional and online tuition rates.

Proposed Actual Tuition Charged for 2025-26

With the 2025-26 increase of 4% applied to 2024-25 charged amounts, the increase to full-time students would be \$370 for a Missouri undergraduate. As expressed in the cost per credit hour, the proposed increase is \$15.75 per credit hour for a Missouri undergraduate student. The total increase for a student living on-campus will be \$852 for the academic year. Costs for 2025-26 for undergraduate students are outlined in Table 4. Non-resident tuition will increase by 4%, and the cost per credit hour for graduate programs will increase by 4%.
