

BS Accounting

MAJOR: ACCOUNTING (BACHELOR OF SCIENCE)

MINOR OFFERED: Accounting

GRADUATE PROGRAM OFFERED: Master of Accountancy (in-person or online)

Accounting students graduate with strong technical skills for a wide variety of accounting roles, a solid understanding of business, effective communication skills, and sound ethical decision-making skills. These skills and knowledge make our students career-ready.

Students have an experiential learning opportunity to participate in the **Volunteer Income Tax Assistance program**, preparing tax returns for others.

MANY INTERNSHIP OPPORTUNITIES

The program hosts a **Career Fair** specifically for **accounting majors** every fall.

The **average starting salary** for graduates from the masters program is **\$73,500**.

A **CLOSE-KNIT ACADEMIC ENVIRONMENT** WHERE FACULTY AND STUDENTS **BUILD LASTING CONNECTIONS**

INDIVIDUAL ATTENTION FROM INSTRUCTORS

AFTER GRADUATION:

Employers value Truman accounting graduates because of their proven record as exceptional employees. Many alumni have built impressive careers and now hold leadership positions across a wide range of industries.

WHAT MAKES THIS PROGRAM SPECIAL?

All courses in the program are taught by faculty who hold doctoral degrees and bring real-world business experience to the classroom. Students also benefit from a strong alumni network that actively supports the program. The program has separate AACSB Accounting – an honor earned by fewer than 200 programs worldwide.

Recent employers of accounting graduates include: Anders, Boeing, Deloitte, Emerson Electric, EY, Forvis Mazars, KPMG, PwC, RubinBrown, UHY, and Williams-Keepers.
