# MAJOR: DESIGN (BACHELOR OF FINE ARTS) ONLINE

At Truman, design goes beyond aesthetics; it's how we communicate, problem-solve, and shape the world. Art + Design blends artistic exploration with technical skill, empowering students to create impactful visual experiences across digital, print, web, and interactive media.

FULLY ONLINE BFA IN DESIGN - FLEXIBLE & CAREER READY

PRINT & DIGITAL DESIGN

WEB UX/UI

3D MODELING & **ANIMATION**

This is a full, career-focused, BFA that is online and on your schedule. The curriculum is rigorous and comprehensive. It's designed for you; a creative thinker balancing work, life, and ambition.

WHY DESIGN AT TRUMAN?

Truman's online BFA in Design is built for flexibility, whether you're beginning your journey or pivoting careers. Led by expert faculty, the program develops your creative skills and builds confidence for real-world design careers.

AFTER GRADUATION:

Graduates land roles in top agencies, design studios, and corporate teams. With a strong portfolio and practical experience, Truman students are ready to lead in the creative industry.
