Professional art gallery, labs, studios, classrooms, and faculty offices, are all **located in one on-campus building.**

Faculty have a genuine passion for art and for seeing their students succeed.

On-campus **art/design related jobs and internships** available.

SMALL CLASSES = BIG PERSONAL IMPACT

ART + DESIGN + ART HISTORY

Art elective requirements give you the perfect opportunity to try your hand at a new medium. Develop essential art-communication skills through class critiques, and gain a wholistic understanding of the arts through Art History courses. Our writing-enhanced history courses will give you the opportunity to participate in academic research relating to your area of specialty.

*You can pursue a **Bachelor of Arts (BA)** or **Bachelor of Fine Arts (BFA)** degree, and are encouraged to discuss which path is right for you with you academic advisor.*

AFTER GRADUATION

Students can find numerous career paths awaiting them after graduation, including as museum or gallery professionals, artists, art therapists, art educators and entrepreneurs, in addition to seeking out graduate studies.
