IN RESEARCH**

PRESENT INDEPENDENT RESEARCH AT
AT YOUR **SENIOR SEMINAR**

Expert faculty offer
**collaborative research
opportunities** with students

*Truman campus has a world-renowned, primary source archive,
accessible for student research.*

SMALL CLASSES = BIG PERSONAL IMPACT

AFTER GRADUATION:

Graduating students who move on to graduate schools are better-prepared than students from other universities through strong foundational skills, discipline, and help from passionate faculty. Students who enter the work force are prepared with the skillsets, flexibility, and adaptability that are vital tools in any career.

*Faculty in this program are award-winning teachers and scholars
at the university, state, national, and international levels.*

HISTORY AT TRUMAN

This program grants students deeper insights into histories and cultures across the globe, helping them to better understand our modern day, and will build vital skills for their future careers, such as critical thinking, writing, public speaking, and problem solving.
