PART III –PROPOSAL EVALUATION AND AWARD

A. Preparation of Proposals

1. It will be the firm's responsibility to ask questions, request changes or clarification, or otherwise advise Truman if any language, specifications, or requirements of an RFP appear to be ambiguous, contradictory, and/or arbitrary, or appear to inadvertently restrict or limit the requirements stated in the RFP to a single source. Any and all communication from proposing firms regarding specifications, requirements, competitive procurement process, etc., must be directed to Truman, as indicated on the first page of the RFP. All formal inquiries for significant or material clarification or interpretation or notification to Truman of errors or omissions relating to this RFP document must be submitted in writing and emailed to Truman's Purchasing Buyer referenced in this RFP. Questions and subsequent responses will be issued as an addendum to all prospective firms on file. No addenda will be issued later than 48 hours prior to the time and date scheduled for the receipt of responses, except for an addendum postponing or withdrawing the RFP. Every attempt will be made to ensure that the firm receives an adequate and prompt response. However, to maintain a fair and equitable procurement process, all firms will be advised, via the issuance of an addendum to the RFP, of relevant information related to the RFP.
2. Before submitting a proposal, firms should become thoroughly familiar with all conditions referred to in this document and any addenda issued before the proposal submission date. Failure to do so will be at the firm's risk. Such an addendum will form a part of the RFP. It will be the firm's responsibility to ascertain that the proposal includes all addenda issued prior to the proposal submission date.
3. Unless otherwise specifically stated in the RFP, all specifications and requirements constitute minimum requirements. All proposals must meet or exceed the stated specifications and requirements.
4. Prices offered will remain valid for 90 days from proposal opening unless otherwise indicated. If the proposal is accepted, prices will be affirmed for the specified service agreement period.
5. Only Truman's written response(s) pertaining to this RFP, or an addendum, are valid.
6. Truman reserves the right to modify or cancel this RFP. Such action will be noted as an addendum.

B. Submission of Proposal and Award

1. A proposal submitted by a firm must include a signed RFP Proposal Certification executed by the firm's duly authorized representative, contain all information required by the RFP, and be delivered to Truman no later than the exact opening time and date specified in the RFP.
2. A proposal may also be withdrawn or modified by the firm, provided requests are made in writing before the RFP opening date and time. Verbal requests to withdraw or modify a proposal will not be honored.
3. Proposal responses must be returned (with all necessary attachments) to Truman on or before 2:00 PM on Tuesday, August 25, 2026. Proposals may be emailed, mailed, or delivered in person to the addresses outlined on the first page of this RFP.
4. All data required herein in order for the firm's proposal to be evaluated and considered for award must be submitted. Failure to submit such data will be deemed a cause for the disqualification of a proposal from award consideration. Responses to this RFP should be submitted in the format specified. Proposals in any other format will be considered informal and may be rejected. Conditional proposals will not be considered.
5. Contents of any proposal, attachment, and explanation submitted in response to this RFP, except copyrighted material, will become the property of Truman. All copyrighted material must be clearly marked.
6. If your proposal contains any information you consider to be proprietary, you must place it in a separate envelope or file if e-mailed and mark it "Proprietary Information." Truman is the final authority as to the extent of material considered proprietary or confidential. Pricing information cannot be considered proprietary.
7. Truman reserves the right to reject any or all proposals or any part thereof, or to accept any proposal, or any part thereof, or to withhold the award and to waive or decline to waive irregularities in any proposal when Truman determines that it is in their best interest to do so. Truman also reserves the right to hold all proposals for a period of up to three (3) months after the opening date.
8. After the initial screening process, those firms whose proposals are selected for further consideration will be requested to provide a presentation to the Board of Governors selection committee to answer questions in advance of the final selection. Firms selected to give a presentation will be contacted to schedule it. The person responsible for servicing Truman's account will be present at this presentation. Firms are cautioned not to contact Truman employees or members of the Board of Governors concerning this RFP during the evaluation process.

9. Truman reserves the right to consider historic information and fact, whether gained from the firm's proposal response, question and answer conferences, references, or any other source, in the evaluation process. Truman reserves the right to take such steps as it deems necessary to determine the ability of a firm to perform the work, and each firm will furnish to Truman such information and data for this purpose as it may request. Truman reserves the right to reject any proposal response where an investigation, or consideration of the information submitted by such firm, does not satisfy Truman that the firm is qualified to properly carry out the terms of these specifications. It is the firm's sole responsibility to submit information related to the evaluation categories, and Truman is under no obligation to solicit such information if it is not included with the firm's proposal response. Failure of the firm to submit such information may have an adverse impact on the evaluation of the firm's proposal. Pursuant to Section 610.021 RSMo, proposals will not be available for public review until after a contractual agreement is executed or all proposals are rejected. Truman will notify RFP respondents of the firm that has been selected to perform these services. C. Proposal Opening

1. Proposal openings are public on the opening date and time specified on the RFP document. Only the names of the RFP respondents will be read at the opening. Proposal content will not be disclosed.

D. Evaluation / Award

1. Any clerical error, apparent on its face, may be corrected by Truman before the contractual agreement award. Upon discovering an apparent clerical error, Truman will contact the firm and request written clarification of the intended proposal. The correction will be made in the notice of award. Examples of apparent clerical errors are a misplacement of a decimal point and/or an obvious mistake in the designation of a unit.
2. Awards will be made to the firm whose proposal complies with the requirements of the RFP as outlined in Part II, and is the most qualified proposal, considering:

 - d. All other evaluation criteria specified in the RFP and any subsequent negotiations.
3. In the event all RFP respondents fail to meet the same mandatory requirement in an RFP, Truman reserves the right, at its sole discretion, to waive that requirement for all proposals and to proceed with the evaluation.
4. Truman reserves the right to waive any minor irregularity or technicality found in any individual proposal.

7. Truman reserves the right to request written clarification of any portion of a firm's response to verify intent. However, firms are cautioned that their response may be accepted without further clarification.

Vendors may outline your qualification in the proposal response. Other bidders are encouraged to engage certified MBEs, WBEs, SDVBEs, and VBEs in the performance of services for Truman, and proposals may include a diversity participation plan (maximum 2 pages) detailing: (1) proposed certified M/WBE/SDVBE/VBE contractors, their roles, and estimated contract value percentage; (2) evidence of outreach to certified contractors; and (3) strategies for meaningful involvement. However, the absence of such documentation will not disqualify a bid. Truman may monitor a vendor's compliance in meeting diversity participation levels committed to in the awarded proposal.
